### Parent Interview

#### Questions:

1. What were your dreams for the future when you were my age?
2. What have you accomplished?
3. What is left for you to accomplish?
4. What were and are your dreams for me?
5. What were your parents' dreams for you?

#### Dad:

1. "I thought I would get some sort of job after high school, nothing big."
2. "I have a Master's Degree and a teaching credential. I have been teaching special education for 20 years."
3. "Retire in 12 years, and pursue personal interests."
4. "He was interested in baseball like a player on a team in college. I hoped that he would go to school to pursue a degree in something he was happy with."
5. "My dad wanted me to be an engineer or a business major and my mom wanted me to at least pursue a degree. They never went to college and was never discussed at home."

#### Step-Mom:

1. "I wanted to get married, have kids and own a house. No set career goal/path but wanted to go to college."
2. "I am happily married with two kids, I love my home and I love my career."
3. "I want to achieve financial peace and pay off my home and also retire debt free. Enjoy my grandchildren."
4. "I want you to find a career path that is truly rewarding and the woman that God has set aside for you."
5. "They wanted me to be independent and happy."
